A good attendance of members took place in the competition which resulted in the following gaining the three major places. 1st Jenny Patch and her dog Billy. 2nd Tracey Collins and her dog Koda and Third Place Kim Porter and her dog Brock.

Many thanks to Liz Karasonyi who was Judge for the day and to President John Rixon who was Recorder.

The event was due to the organisation of Committee Members Rosie Milton, Jenny Patch and Diane Richmond. who did an excellent job.

To all who helped with the setting up it was much appreciated. The Club is fortunate in having such a keen group of dog lovers who pitch in and help when needed.

### MUDD ON THE PAWS FLYBALL SUCCESS

The Club had two teams in the Canberra Paws for Walk Day Flyball Competition and enjoyed further success on May 16.

Kylie White's team consisting of Kylie and her dog Jackie, her son Patrick White with Rosie Milton's dog Pac, Trent Shepherd with his dog Possum and Michael Henry and his dog Sophie. They gained 1st in First Division while Diane Richmond's team consisting of Diane and her dog Lady, Rosie Milton and her dog Wizz, Jenny Patch and her dog Billy, Louise Hamilton and her dog Darcy. They were coming first until they bettered their entry time that they had declared, three times and were relegated to 4th place. They did the best times they had done so far on the higher jumps which was fantastic.

### DOGS MAN'S BEST FRIEND

All Dog Lovers are aware that dogs are man's best friends and we would like to share some friends experiences with their dogs.

After an operation a dog owner was on walking sticks taking her dog's brush outside to brush her when she dropped the brush and thought Oh No! The dog will take off with it, instead she picked the brush up and walked slowly next to her owner and when the owner sat down outside dropped the brush in her lap.

Another wonderful true story was in regard a young family living on a farm and their farm dogs were not allowed in the house. The owners were surprised when one of the dogs came to the door and kept staring at them. They queried what it was doing and the dog kept turning and looking out to the yard, eventually they realised it was telling them something and went out to find their baby crawling outside.

### PLEASE USE WESTERN GATE

It is a good idea for those attending dog training to use the western gate always.
