President's Message

What an unprecedented move for Milton-Ulladulla Dog Training Club to have to cancel dog club for a couple of weeks, due to Kennel cough! Unfortunately this is a highly contagious disease and as a club we need to protect not just our members' dogs, but also those in the wider community. We thank you for your patience and understanding during this time and remind you that should your dog(s) develop symptoms after this period they should be excluded from class for a further 21 days.

On a brighter note, it's wonderful to see our members continue to do well in their doggy pursuits-don't be shy-if you have a particular interest in a club activity, please see our instructors and committee for details. And remember we always love to see your photos

emailed in for inclusion in the newsletter.

Interested in extra training? There is a wonderful conference in Sydney every October put on by the Australian Association of Pet Dog Trainers. You don't have to be an instructor to attend-just someone with a genuine interest in learning new ways of getting the best out of your pets! For details see Natalie or jump on the website:

<http://www.apdt.com.au/>

With our club championships coming up, I wish you all luck in your training, and encourage everyone to enter. Don't think your dog isn't good enough-you will benefit as much from the process as from the win! Until Next time,

*Regards
President
Natalie*
