GREAT RESULTS FOR FLYBALL TEAMS

Milton-Ulladulla Dog Club Training Club Mudd On the Paws Flyball teams had great results from the Million Paws Walk Flyball Competition held at Wongawilli, near Kanahooka, Dapto on Sunday May 20th.

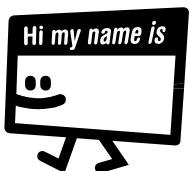

Team 1 comprising Rosie Milton and Pac, Jenny Patch and Wizz, Louise Hamilton and Darcy, Trent Shepherd and Possum came 2nd in Ist Division.

Team 2 comprising of Diane Richmond and Lady, Rosie Milton and Jackie, Danielle Butson and Tiamaria and Trent Shepherd and Gem came 2nd in 2nd Division.

Our Club Chief Instructor Diane was very proud of her kelpie Lady who received a prize for the best dog in 2nd Division, which was a marvellous result as it was her second competition since injury received last year. There has been a number of our dogs suffering injuries and they are wished all the best in their recovery as they are missed at training. Our thoughts are with all whose dogs are on the sick list.

Please drive slowly around the Showground – Dogs may run across the roadway

Please don't forget to wear your name badge for training classes. If you have lost your badge please ask at the New Member table for a new one

MUDTC Demonstration Team

From about 2008 the Agility Demonstration Team started work on an obedience element to their demonstrations and in 2009 performed for residents of the Coastal Waters Retirement Village. This proved very popular and was repeated in 2010 with the addition of a demonstration by members of the Club's Mudd on the Paws Flyball Team of this exciting sport, plus their dogs' speed at flying through weaving poles.

Word spread, and led to the Agility/Obedience team being invited to perform at the Sarah Claydon Retirement Village in Milton in 2011. The Dog Club also regularly presents demonstrations which include obedience, agility, flyball, weave poles and flag races at the Milton Show, Australia Day celebrations organised by the Ulladulla Milton Lions Club and the Ulladulla RSPCA Million Paws Walk. This year the Demonstration Team also performed at the Relay for Life in Milton. As well as performing demonstrations in the local community, the team is also involved in regular visits to Sarah Claydon as part of that organisation's Pets as Therapy program and bring a lot of pleasure to the residents.

All members of these demonstration teams are to be congratulated and thanked for the time and effort put into these presentations, which are an excellent showcase of our Club. Special thanks go to the team organisers; Diane Richmond, Rick Venning and Rosie Milton.

CHAMPIONSHIP BOARD

The Club's Champion Dogs Photos are being brought up to date and many thanks to Roy Cullen who has moved the board in a more suitable position. Roy who was instrumental in the Clubhouse being built has also erected a book shelf so that the Club's Library can be shown. What would we do without this talented member, who is our popular Puppy Class Instructor.

LOST PROPERTY

There are a number of items of lost property in the Club House and if not claimed in a couple of weeks will be taken to St.Vinnies.
