

Welcome to Milton Ulladulla Dog Training Club Inc

Welcome to Dog Training, we hope you enjoy a long and happy association with our Club. The Club meets for obedience and agility classes every Sunday morning from February to November at the Milton Showground. The final get together each year is our Christmas Party held first Sunday in December.

Contact details are: The Secretary PO Box 274 Milton NSW 2538: Web site www.mudtc.org.au Email address info@mudtc.org.au Phone 4455 3137. The Club is incorporated and follows the standard Rules of Incorporated Bodies. The Club has a set of Club Ground Rules for all members.

Ground Rules:

- ❑ Members must wear suitable footwear – scuffs and thongs are not permitted
- ❑ Dogs must be kept on the leash at all times, unless they are in the training class and under the direct supervision of an instructor, or running in the off leash area at the rear of the Showground.
- ❑ The only acceptable training collars are flat collars, DCCs, haltis and training harnesses (not car harnesses).
- ❑ Vaccination papers must be presented when joining the club and then they must be sighted annually
- ❑ Children may train their dog at the discretion of the Chief Instructor, and provided they are supervised by a responsible adult
- ❑ Any use of the club equipment for dogs must be done in conjunction with the class instructor
- ❑ Members are responsible for cleaning up if their dog fouls the ground
- ❑ Physical reprimands of dogs will not be tolerated
- ❑ Bitches in season are not permitted on the training ground
- ❑ The club reserves the right to decide that a dog must be muzzled. Please see the Club's Aggressive Dog Protocols at <http://www.mudtc.org.au/documents/aggressive-dog.pdf> If you do not have access to view on line, please request a hard copy from the Secretary.
- ❑ The club has a Contagious Diseases Policy which is located at <http://www.mudtc.org.au/documents/Contagious%20Disease%20Policy.pdf> If you do not have access to view on line, please request a hard copy from the Secretary.

Equipment such as leads, collars, food treats, dumbbells etc, is available for purchase from the Club. Please arrive at the rear of the Showground in time to be ready to commence **obedience classes** at 9am – so leave yourself enough time for a chat and to pay your training fee of \$2.00 before the whistle goes 8.45am. Please **do not** take your dog with you up the ramp to the Clubhouse to pay your \$2, as it can become a very congested area. Alternatively you can pay your \$2 training fee to one of our New Member Team. We also have an advance payment system – please ask one of the New Member Team for details.

Agility courses and classes are held at the Club for dogs 12 months of age and over. Please see the separate handout for details of Agility training. *Note: Agility class times and days are subject to change due to instructor availability – please check with your instructor.*

Newsletter

Each month the Club's Newsletter is emailed to members and posted on the website and Facebook page. A limited number of hard copies are made available and can be collected from the Clubhouse. Please email newsletter@mudtc.org.au with the word unsubscribe in the heading if you do not wish to receive emails from the Club. From time to time photos and/or information regarding you and your dog may appear in the Club Newsletter, local Newspaper articles, or other media. If you do not wish information to be published please let us know, and your membership record will be noted as private.

Training your Dog at Milton Ulladulla Dog Training Club

Milton Ulladulla Dog Training Club Inc offers members the opportunity to socialise and train their dogs to become great companion animals. The Club promotes responsible dog ownership and is led by a volunteer team of committee members and instructors who enjoy giving their time and knowledge to help you train your dog. We offer training in obedience, agility and fun events such as flyball, zipball and flag races. All dogs are welcome, large, small, mixed breed, pure bred, and they all have a great time on Sunday mornings at training classes.

Any member who has a desire to compete and Trial with their dog will be given all possible assistance by Club Instructors, although competition trialling is not a main focus of the Club.

As a new member you will attend puppy class if your dog is 4 months of age or less, or the Quick Start/Beginners course if your dog is older than 4 months. As you and your dog improve you will progress to the Club's other classes.

What you need to bring on training days

- Your dog's training collar and lead and your name badge
- Poo Bags
- Half size sandwich bag full of soft tasty treats for your dog, cut into small pieces i.e. 4 pieces would make up a 5 cent piece. Suggestions – cabanossi, cooked sausage, cheese (only a small amount), chicken, roast meat leftovers.
- Clicker
- Other training gear such as dumbbell, toys, tuggys etc

It is a great idea to have all your training gear in the bag supplied so it's always ready to pick up and bring along to training.

Agility

Put your name on the list at the Clubhouse if you are interested.

Flyball

Flyball is a relay race between two teams of dogs (four dogs in each team). The dogs go through start gates - which are usually drag racing lights - and jump over four hurdles to a spring loaded box which holds a tennis ball, grab the tennis ball and return over the four hurdles and through the finish line. If a team is really good the two dogs will meet nose-to-nose at the start line to minimise the time taken to complete the course and come out with a really fast time. Flyball is trained Australia-wide and many competitions are held during the year.

Instruction in this exciting sport is intermittently held at the Club. Please discuss with either the Chief Instructor or your Class Instructor for further details.

Demonstration Teams

Club demonstrations are performed at events such as Australia Day, RSPCA Paws Walk and Milton Show. Demonstrations are a wonderful way to promote our Club to the wider community. Your dog must work consistently off lead to be part of the team. Practices are held on 8am on Tuesday mornings at the Showground. For further information please discuss with the Chief Instructor or your Class Instructor.

Club Competitions

Competitions, judged by Club Instructors, are held each year, usually during the cooler months. These competitions are:

1. Lynne Brookes Trophy (Open competition for all dogs)
2. Marion Mann Trophy (Competition for small dogs)
3. President's Trophy (Competition for beginner dogs)
4. Tessa Rudd & Penny Cullen and Kelly Agility Trophies

The first three Trophy events listed are held on the same day during Winter. Trophy number four, the Agility competition, runs over 4 separate Sundays during the year.

Detailed guidelines of the competitions are prepared each year and are available to any members who wish to participate.

Our aim is to make training your dog a fun experience for both you and your dog. Many handlers tell us that it is not long before their dog "knows" Sunday is training day and can't wait to get to the Showground. Your dog will be spending focused time with their favourite person – you. You will learn about dogs, their behaviour and what makes them do what they do. Your dog wins by spending time with you at training.

At our Club we focus on positive reinforcement and rewards while training. We help you to have fun with your dog and help make them a great companion to have around your home.

Each instructor will explain the methods of dog training used at our Club.

Please note that professional help is recommended before attempting any type of behavior modification with an aggressive dog. Please seek your own vet advice if any health/diet issues are of concern to you. All dogs must be vaccinated annually, wormed regularly, registered and micro chipped and regularly checked for Ticks.

**All our instructors and committee members are here to help and assist you in any way they can with training your dog,
Please don't hesitate to ask questions if you have any queries.**

SPEED LIMITS ARE 15KPH AND 10KPH IN THE SHOWGROUND

Handlers must always clean up after their dogs – make sure you always carry a plastic bag at the Showground and when taking your dog for a walk.
